No. WD 05-014**

June 20, 2005

**A. INTRODUCTION**

This Amendment to Administrative Order No. WD 05-014 ("Amendment") is issued by the Department of Environmental Services, Water Division ("DES") to the Town of Wolfeboro ("Town"). This Amendment to the Order is effective upon the date of issuance.

Administrative Order No. WD 05-014 ("the Order"), was issued by DES on April 19, 2005 pursuant to RSA 485-A. Section E., Paragraph 2 of the Order required that the Town submit an updated site map identifying existing facility surface waters, storage pond bathymetry, drainage ways, wetland soils, spray irrigation areas, site improvements, roads, and surface topography by July 1, 2005.

The Town has received estimates for the required work and does not have sufficient funds at this time to complete the work. The Town has requested that additional time be granted to appropriate the necessary funds at the next town meeting (March 2006) to complete the updated site plan required in the Section E, Paragraph 2 in the Administrative Order WD 05-014.

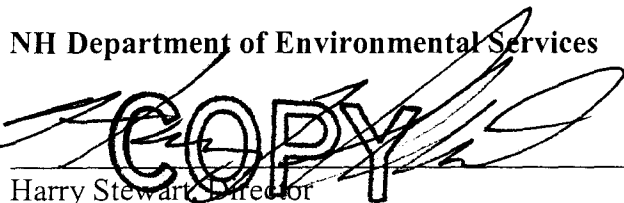

**B. AMENDMENT**

The Order is revised as follows:

1. The compliance date in Section E, Paragraph 2 is changed from July 1, 2005, to June 30, 2006.

In all other respects, the Order remains in full force and effect.
